Duck, Death and the Tulip is
the much anticipated stage
adaptation of Wolf Erlbruch's
superb picture book.

Duck, Death and the Tulip is
now my favorite book of all time
Kim Hill, Radio New Zealand National

Duck, Death and the Tulip is a strangely
heartwarming story. A duck strikes up
an unlikely friendship with Death.

Simple, unusual, warm and witty.
The superb use of masks, puppets and
objects, allows the play to deal with a
difficult subject in a way that is elegant,
straightforward, and thought provoking.

Duck, Death and the Tulip will intrigue
and enchant, both children and adults.

AGE GROUP

Most suitable for adults and
children up to Year 8
